THANK YOU FOR SUPPORTING HCCF & STUDENTS IN NEED

WHO WE ARE & WHAT WE DO

Mission: To help HCDSB students succeed at school by providing financial support to families in need.

Vision: All HCDSB students have equitable opportunities at school, regardless of financial barriers.

As an independent charity, HCCF has helped over 1650 HCDSB students & allocated almost $300,000 to help with financial barriers to learning since we were formed in 2012. However, during the COVID-19 pandemic, the need increased dramatically. HCCF has helped 624 HCDSB students (as part of 273 families), with financial assistance of over $87,500 since March 2020. All of this was possible thanks to our donors, supporters and volunteers.

As you know, there are few things more important than accessible education. We rely on the generosity of the Halton Community to allow us to continue to say "yes" to supporting basic necessities, school activities with a fee, and our new <u>HCCF Graduate Award.</u>

HCDSB Staff can apply for financial support for a student in need, with the approval of the school Principal. We welcome applications for financial assistance through our online <u>Application Form.</u>

Please save our initiative dates, so you can choose how your school community may want to help.

WHY IT MATTERS!
