Parents who currently have cross boundary/non-resident status within our school must have the request renewed on an annual basis. (forms will be sent home early Feb.) Requests received later in the year may be reviewed based on exceptional circumstances. Peanut/Nut Free School

### Board policy for peanuts and tree nuts is:

'Products that contain or 'may contain' peanuts and tree nuts are not to be brought onto school site.'

Thank you for your continued diligence.

MacDonald's restaurants have changed their status to 'may contain' nuts or peanuts. Students who have meals from MacDonald's dropped off will eat their lunch in an alternate location in order to keep all of our students safe.

Thank you for your understanding.

Did you know that Holy Cross School provides ALL students with access to healthy food at school? A Student Nutrition Program has been running in partnership with Halton Food for Thought (HFFT) for many years. This program is open to all students free of charge and runs Monday, Wednesday and Friday at morning recess. All food prepared and served in the program meet Ministry of Children, Community and Social Services Nutrition Guidelines and follow Safe Food Handling practices.

To continue this successful program, we need your help! If you would like to make a financial contribution to this valuable program, it would be greatly appreciated. No donation is too small! Help ensure that "no student goes hungry at school". Donations can be made on line though School Cash Online. For more information about HFFT Student Nutrition Programs, be sure to follow them on Social Media. Twitter: <https://twitter.com/haltonFFT>. Thank you!
