June 2019

Another year draws to a close....

Dear Parents,
As this school year is ending I would like to thank our families for their support this year. Working together we can help our young people become the best version of themselves. I would like to thank the staff for their hard work and dedication to student success. Mrs. Schaefer and Mrs. Robling make our office so warm and welcoming, I thank them for their many kindnesses. And last but not least, I would like to thank the children of Holy Cross who give us much joy every day! It has been a very successful year and planning for a wonderful 2019/20 school year is well underway! Please enjoy a restful and fun summer with your families.
