

Our Lady of Fatima Parking Lot

Below is a review of our parking lot on both our East and West Sides to use as a guideline and a reminder to those that use our parking lot. Please follow the pictorial key to ensure that traffic can flow freely.

= this represents areas that are **NO STOPPING zones**. We ask that drivers do not stop or get out of their vehicle in any of these areas, especially at the entrance to the parking. We MUST leave a lane accessible for vehicles to continuously move through the parking lot.

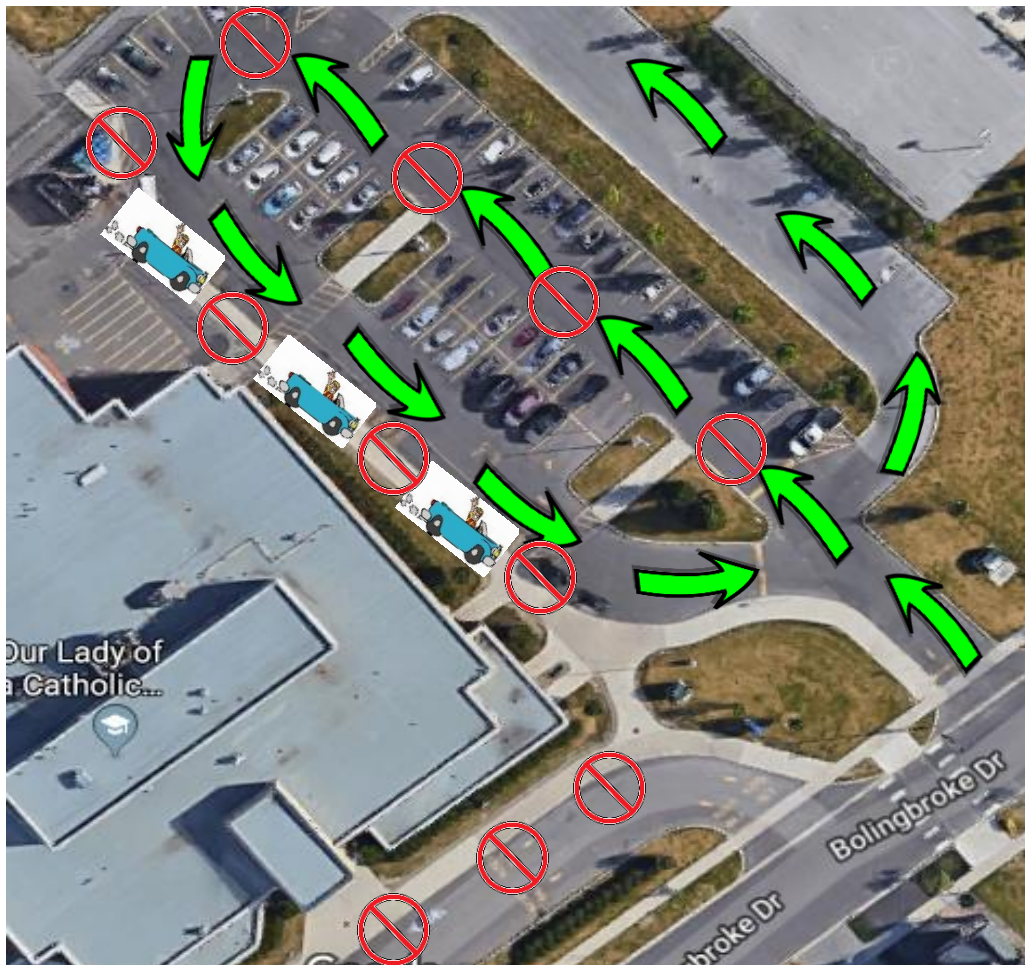

= This represents the area for **Kiss 'n' Ride** - quick drop off and pickups. Please do NOT get out of your vehicle in this lane to allow for quick and easy free flow.

= This represents the normal lane of cars that must continuously move. **At NO POINT should anyone stop or get out of their car if in this middle lane**. This lane HAS TO BE CONSTANTLY **FREE FLOWING**. If there are no places to pull over or park, please drive around and circle until an area becomes available.
