

OLP Virtual Clubs – Week 3 – 11-15 May 2020

Our students enjoy our OLP school clubs because they get to connect with other children in different grades and classes who share their interests. While we can't run our clubs as we usually do, we are going to start publishing a weekly calendar of virtual clubs. Children can choose to try one or all of the activities in a given week, and, with your help, they may share to our school Twitter feed @OLPhcdsb here: <https://twitter.com/OLPhcdsb>. You can use the hashtags #FunClubsHCDSB and #TogetherApartHCDSB to connect with others.

No Twitter account? No problem! You can share your results with Mrs. Belobradic or Mrs. Baxter by emailing them at belobradice@hcdsb.org or baxterj@hcdsb.org. They will share them through their Twitter feeds. Mrs. Dore-Anderson may even post a selection to the school website! (Please note that anything you share through email may be posted to the school Twitter account and website as well.)

If you don't want your children to share online, that's OK too. You can still have fun by trying the activities as a family!
