

Step 1: www.dominos.ca

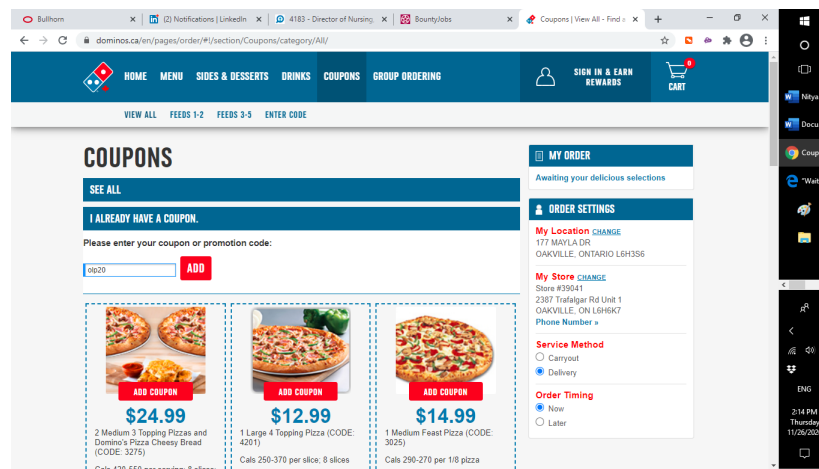

Click “Order online” at the top left hand corner besides the logo

Step 2: Select Delivery or Carryout

- If you choose carryout, click the store closest to your home
- If you choose delivery, enter your address details

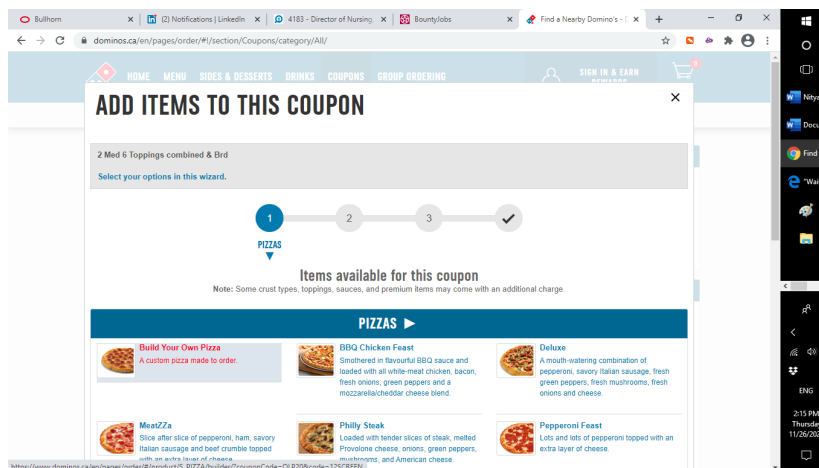

Step 3: Click on Coupons

Enter coupon code: **olp20** and click ADD

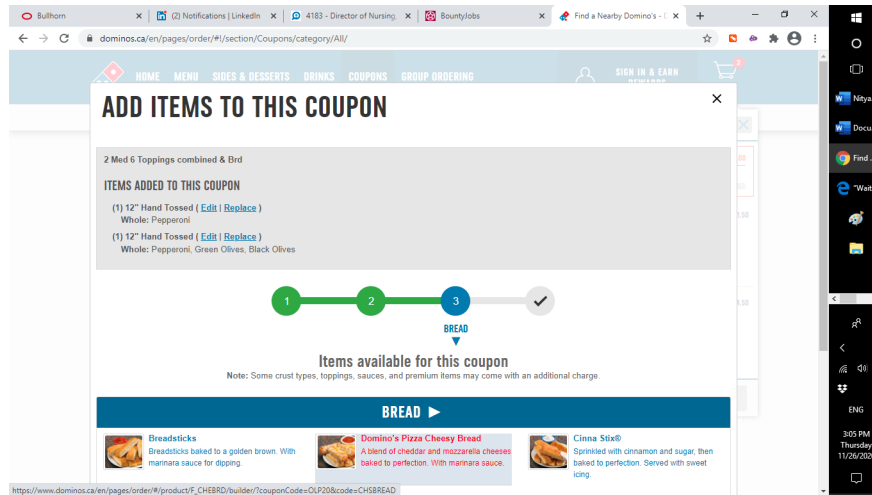

Step 3: Select “Build your own Pizza”

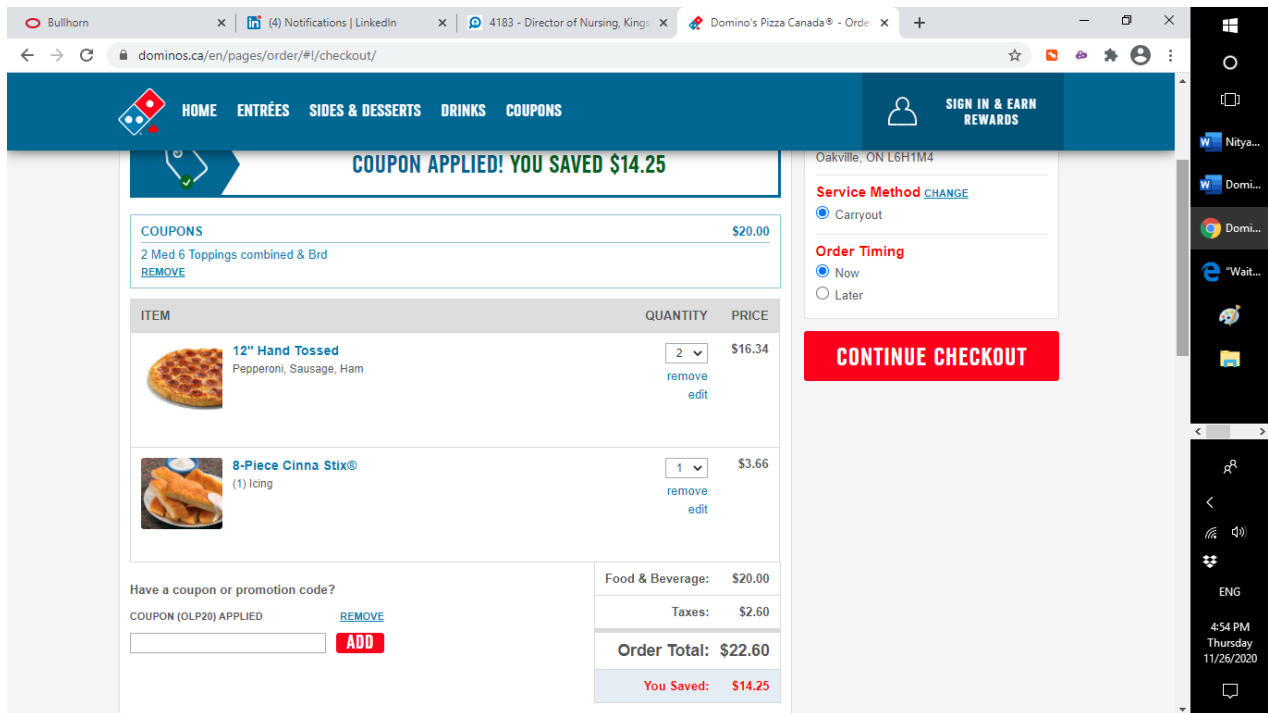

- Each 12” pizza allows upto 3 toppings.
- If you want Pizzas with different toppings on each, select toppings for the 1st pizza and qty =1. Select “Build your own Pizza” again and follow the prompts to add the 2nd pizza with toppings to your order. Toppings marked with an asterisk(*) will be charged extra

Step 4: Choose a **side of bread** and add to the order

Step 5: Review your order & Proceed to Checkout
