### **Important Announcements:**

### Dance a thon Update

We are very excited to host our first outdoor dance-a-thon on **Friday, October 29**<sup>th</sup>. A rain date is scheduled for **Thursday, October 30**<sup>th</sup>. We have one week left to consider gathering pledges for this major fund-raising event. Last year, funds were used to update technology, provide outdoor equipment for 40 classrooms, and purchase resources for the ARTS and the special education department, resupply our recess play items, supplement our reading resources and much more. Students can dress in orange and black or costumes. **Costumes should not depict violence, blood, gore or themes that may be considered inappropriate for our Catholic learning environment.** Masks that are a part of a costume are not permitted. Students must wear their face mask with their costume. Unfortunately, with COVID-19 restrictions, we only have limited volunteers who have been screened and selected to assist with our dance-a-thon. Thank you for your understanding. Please try to make a last push to collect pledges over the weekend and next week to support Queen of Heaven School.

#### Dropping off items at School

Safety at Queen of Heaven is a high priority. Staff, students, and families must continue to focus on the big three: hand washing, physical distancing and wearing a mask. Please review the importance of these expectations as we continue to strive to keep our community safe.

A friendly reminder to all parents and guardians; please complete a school screening and follow the direction of the screening. This practice will help keep students and staff safe and healthy. A friendly reminder to continue daily covid screening with your children to ensure they are healthy and meet the Ministry standards to attend school each day.

Our drop-off table is located outside the main front doors of the school. If you have forgotten to pack and item for your child, please drop it off on this table, <u>label it with student name</u> and <u>teacher name</u>, and kindly buzz the office to inform us the item is here; we will ensure it gets to your child safely. Thank you.

### **Bishop Reding CSS Virtual Advanced Placement Information Evening**

Our grade 7 & 8 parents are invited to attend a <u>virtual information session for Bishop</u> <u>Reding Catholic Secondary School's Advanced Placement (AP) Programme</u> on October 26<sup>th</sup> at 6:30 p.m.

The AP programme offers enhanced learning and university-level courses to students in secondary school. Students enrolled in the AP programme study topics in greater depth, preparing them to develop the knowledge and the critical thinking skills that are expected in university. For more information about Advanced Placement, please visit the Board's website at: <u>http://bit.ly/HCDSB-AdvancedPlacement</u>, or the <u>Bishop Reding</u> Catholic Secondary School website.

## **Fall Fire Drills:**

We were able to successfully complete our three fall fire drills. Students and staff <u>responded very well</u> to our safety expectations and conducted our drills with quiet and calm efficiency. We will schedule three more mandated fire drills in the spring to comply with our fire safety regulations. During the winter months, we will practice our lockdown procedures to ensure we remain prepared for any circumstance. The safety of our students and staff remains always at the top of our priorities at Queen of Heaven.

# **Dogs on School Property:**

Dog owners are respectfully reminded to refrain from bringing dogs onto school property. This expectation remains in effect always, without exception. We often hear "It's okay, he doesn't bite." Or "He's friendly". While this is likely the case in most instances, all schools adopt the blanket rule of no dogs on school property to keep everyone safe and avoid the worries of discerning whether a family canine is friendly, aggressive etc. Thank you for your understanding and cooperation!
