

ST. BRIGID

Catholic Elementary School
BUILDING OUR DREAMS ... IN THE IMAGE OF JESUS

Achieving: Meeting the Needs of all Learners

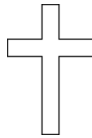

Students will engage in inquiry-based learning grounded in our Catholic social teachings

Educators will model and support the stages of inquiry through ongoing assessment and use data to guide instruction

Educators will use real-world math problems to engage students to be critical thinkers and collaborative contributors

Believing: Celebrating our Catholic faith & aspiring to be models of Christ

Students will engage in service projects locally, provincially and globally to deepen their awareness of social justice issues

Our school embraces Gospel Values and Catholic Social Teaching allowing students to model Christ in their actions

We pray every day in different ways with a specific focus on Christian Meditation allowing students to feel more connected, to ease anxiety and deepen their relationship with Jesus Christ

Belonging: Embracing relationships & sustaining safe, welcoming schools

Educators will provide an environment that focuses on student well-being to develop the whole child

Educators will use strategies to support students with mental health needs

Foundational Elements: Optimizing organizational effectiveness

Communication from school to home will be clear, responsive and timely

Principals will be visible and active in classrooms and throughout the school to support teachers and students

School Mission Statement

St. Brigid Catholic Elementary School in active partnership with home, Church and community is dedicated to excellence in education exemplifying Catholic values and fostering a life-long love of learning in a safe environment leading to spiritual, social and intellectual growth. **Building Our Dreams...In the Image of Jesus.**
