Dear St. Brigid Families,

St. Brigid's is a wonderful place to learn and grow. School staff work together to ensure the needs of each child are being met, with the goal of preparing students for a lifetime of personal fulfillment and contribution to society. To aid in fulfilling this goal, we rely on our fundraising initiatives, where **100% of proceeds support programs and tools for our students.**

As the focus of St. Brigid's is on developing the whole child, your participation in fundraising enables us to focus on two main objectives:

- 1) Support initiatives that enhance our children's education and increase school pride
- 2) Teach our children the value of investing in their school community and in their future

In past years, your generous support and participation have allowed the school to fund many initiatives across all grade levels. Due to COVID-19, our fundraising initiatives cannot look the same this year. To ensure the health and safety of our families, we will hold a **Fall Donation Fundraiser** to help support the purchase of classroom technology, class presentations by special guests, and curriculum enhancement materials. A **suggested donation amount for each family is \$50**, with any donation amount welcome. Even the smallest donation makes a difference, and all donation amounts are confidential.

Our Fall Donation Fundraiser will begin on Tuesday, October 12<sup>th</sup> and conclude with a Halloween Fun Day for the students on Friday, October 29<sup>th</sup>. The Halloween Fun Day will include:

- Classroom Halloween activities
- Divisional Halloween Bingo
- Halloween stories and music over the school PA system
- A variety of prize draws - please note that all student names will be entered in the draws

**Donating is easy! Simply login to your School Cash Online Account:**

St. Brigid Catholic Elementary School has flourished since its inception because of the tremendous support of teachers, principals, support staff and parents who, over the years, have contributed to making the educational experience both fun and rewarding.

Sincerely,

St. Brigid Catholic School Council
