

Who We Are

As a community of faith with Christ as our center, the community members of St. Christopher Catholic Elementary School strive to bring Christ to others through our words and actions.

What our Vision Is

In partnership with home and parish, our staff is dedicated to promoting a learning environment that encourages our students to become self-directed, responsible, lifelong learners and enables all students to reach their potential through the recognition of their God-given abilities.

Achieving: Meeting the Needs of All Learners

- 1) Educators and Students will work together to build number fluency (mental math strategies).
- 2) Educators will differentiate based on student need to support all learners.
- 3) Students will set goals for their own learning and use these goals to help monitor their success

Believing: Celebrating our Catholic faith and aspiring to be models of Christ

- 1) Lessons will be embedded with Catholic Graduate Expectations and Focus on Faith Themes and promote student inquiry.
- 2) Students will be given opportunities to use Catholic Social Teachings to explore social justice issues.

Belonging: Embracing relationships and sustaining safe, welcoming schools

- 1) Our school is a safe, caring and inclusive learning environment for all members.
- 2) We will work to foster a growth mindset in all learners and teach self-regulation skills.
- 3) Our school will promote positive mental health for all.

Foundational Elements: Optimizing organizational elements

- 1) Communication will be clear, transparent and responsive.
- 2) We will promote the use of collaborative technology, common spaces, and teaching practices.
