

St. Dominic Catholic School

Who We Are

At St. Dominic School we value our Catholic Faith and aspire to be models of Christ through our actions of love, forgiveness, compassion and acceptance. We are committed to nurturing the whole child and to creating conditions that support the spiritual, intellectual, physical and emotional well-being of all students so that they may fulfill their God-given potential. We respect diversity, celebrate multiculturalism, honour individual rights and embrace the social values of collective responsibility and the common good.

Our Vision Is

In partnership with home and parish, our staff is dedicated to promoting a learning environment that encourages excellence and enables all students to reach their potential through the recognition of their individual gifts.

Achieving: Meeting the Needs of All Learners

- 1) Educators and Students will work together to develop engaging tasks to promote critical thinking.
- 2) Educators will model to help students identify their own strengths and needs so that students can approach challenges with confidence and success.
- 3) The number of students demonstrating growth in mathematics will increase through the use of purposeful talk strategies. Students will more clearly communicate their solutions when solving multi-step problems in a variety of learning opportunities.

Believing: Celebrating our Catholic faith and aspiring to be models of Christ

- 1) Students will begin to value their progress and the journey in the learning process.
- 2) We will work to foster a growth mindset in all learners that all students can experience their own successes in the study of mathematics.

Belonging: Embracing Relationships and sustaining safe, welcoming schools

- 1) Our school is a safe and nurturing learning environment for all.
- 2) Lessons will be embedded with Catholic Graduate Expectations and Focus on Faith Themes and promote student inquiry.
- 3) Students will demonstrate empathy and respect for others.
- 4) A school wide approach to Collaborative Problem solving based on the research of Dr. Ross Greene will be implemented to address a positive approach to student wellness.

Foundational Elements: Optimizing organizational elements

- 1) Communication will clear, transparent, and responsive.
- 2) We will continue to implement the use of technology and the responsibility of their own digital citizenship.
