Principal's Report:

The St. Dominic Catholic School Council in conjunction with St. Dominic Staff had an incredible and successful year. Through collaboration and team work we accomplished a lot. We celebrated Catholic Education Week with an Open House and French Café. School Council sponsored a booth promoting the Council and seeking out new parent council members.

We further introduced a "Family Movie Night", organized and supported by our Catholic School Council. For its inaugural introduction we had a great turnout offering two movies in each gym to suit family interests and age groups.

As reported in the noted activities that were a part of our school year I feel it important to note that the success, viability and increased community involvement in relation to these events was due to the Council members' commitment to our school as a whole.

I look forward to another year of team building.
