

CHRISTMAS MUSICAL CLASS COSTUMES

Students will need their costumes for both the dress rehearsal on December 12th and performance on December 13th. All students are asked to please wear non-light up running shoes or period appropriate shoes that securely stay on the foot with their costumes.

Note to parents: we do understand that some of the costumes are more involved than others (due to the nature of the show). Please do not feel obligated to purchase items. We simply ask you try your best – many items found at home can be put together to create a fun costume.

Thank you in advance ☺
