

Red Cross Babysitting Course (with first aid & CPR) Offered by Stayin Alive With First Aid, CPR & AED

Caregiver and first aid skills for youth 11 to 15 years old. Participants learn how to manage difficult behaviour, gain essential leadership skills, and discover professional conduct for babysitters. Babysitting promises to deepen and enhance the responsibility that older youth feel when caring for younger children. The curriculum is complete with new science about giving appropriate care in the event of an emergency.
