

St. John Paul II Christmas Market

Saturday November 23rd 10am-3pm

Welcome to the 5th St. John Paul II Christmas Market. Thank you for your interest and we are looking forward to hosting you at our event.

The Christmas Market is organized by the School Council and is intended as a community building event for the parents, staff, students and friends of St. John Paul II Elementary.

St. John Paul II is a highly engaged community as we've seen in past events such as our Family Fitness Night and our Annual Welcome Back BBQ. We intend to promote the event to the Oakville community through our school email system, student's agendas, St. Matthew's parish schools, St. Matthew's church bulletins, and our local newspaper the Oakville Beaver.

Your \$35 table fee will be donated 100% to our school's annual Christmas Charity program, The Giving Tree, which supports local families in need.

The attached Vendor Information form we require you to complete will assist us in best organizing and promoting our event to the Oakville community.

Should you have any questions, please contact Jeff Mamer at jeffmamer@gmail.com or at 289-772-7555.
