

St. Gregory the Great Safe Drop Off & Pick Up

School Access Protocol: Please review the following information regarding our parking lot access for curbside pick up and drop of student items. Thank you for your cooperation!

There is a **no parking/no stopping zone** along Sixteen Mile Drive.

Please Review & Follow the Guidelines Below:

- Drop off and pick up of student items in the '**Kiss & Ride**' loop in the West Lot and in the **Bus loop on the East side**.
- Vehicles are to be parked to allow at least 2 metres of distance between other vehicles.
- Items are to be gathered as quickly as possible from the designated access areas: A, B, C, D. Delays are to be avoided so as not to impact the next scheduled individual. Should there be a delay, parents/guardians are to wait in their vehicles.
- Bins will be beside the designated access areas for drop off of items.
- **No idle parking.** Follow the loop around – pick up and drop off items promptly.
- The front of the school is NOT a drop off or pick up zone. Staff will be available at the front of each lot to help navigate parents/guardians to appropriate access areas (outlined as INFORMATION above).
- **Respect accessible/handicap parking** spaces. Accessible parking, including the access aisle, are for members of our community or visitors with a disability or health condition. **Parking in an accessible spot, even if it's just for a minute, is not permitted.**

General Safety Reminders:

- **Exercise Caution!** Please **drive slowly** and **avoid distractions, such as cell phone use** in our school zone to ensure the safety of all. Children should not be getting out of vehicles.
- **Be Courteous and Respectful!** Please remember that our staff and volunteers are there to help retrieve items safely.
- **Please be Patient!** We are all working together to make this process quick and safe for all of our families.
