

ST. JOHN PAUL II
CATHOLIC ELEMENTARY

Who are we?

Inspired by the life teachings of Saint John Paul II, together with home and church, we are committed to fostering excellence within our community. We nurture the spiritual, academic and moral character development among those we serve and teach. Our teacher leaders volunteer their time to promote team building, collaboration and sharing through the various clubs and activities offered here at Saint John Paul II

What is our Vision?

Together in partnership with home and church, Saint John Paul and our Catholic School Council are committed in providing excellence in Catholic education by developing Christ centred individuals who then strive to transform society.

Achieving: Meeting the Needs of All Learners

Students will ask higher order questions in order to support their learning in inquiry based activities

Students will have the ability to transfer their knowledge to other familiar and unfamiliar contexts

Believing: Celebrating our Catholic Faith and Aspiring to be Models of Christ

The Focus on Faith and Catholic Graduate expectations will be embedded in student inquiry

Teachers and students share a growth mindset in believing they will be successful

Belonging: Embracing Relationships and Sustaining Safe, welcoming Schools

Students will feel valued for their contributions throughout the Saint John Paul II community

Students will feel free to take risks in a safe and inclusive classroom environment

Foundational Elements: Optimizing Organizational Elements

Students will be engaged in the service of others through various clubs and teams

We will continue to strive to ensure communication is clear, transparent and responsive
