

## Who We Are

The St. Paul School Community provides a responsive learning environment where our faith, the family and individuality are respected and valued; and where our young citizens develop and demonstrate self-worth, appreciation for others, a lifelong love of learning and the ability to contribute productively to society.

## Our Vision

In partnership with home and parish, our staff is dedicated to promoting a learning environment that encourages excellence and enables all students to reach their potential through the recognition of their God-given gifts.

## Achieving: Meeting the needs of all learners

- 1) Educators will provide students with opportunities to engage in rich tasks promoting deeper conceptual understandings.

- 3) Students will have opportunities to engage in meaningful conversations about tasks to assess the reasonableness of their solutions.

## Believing: Celebrating our Catholic faith and aspiring to be models of Christ

- 1) Educators will highlight connections to our faith so that students will be able to see connections to their own lives.
- 2) Educators will provide students with rich opportunities to connect with scripture and prayer.

## Belonging: Embracing relationships and sustaining safe, welcoming schools

- 1) Our school is a safe and nurturing learning environment that encourages all students to engage meaningfully with one another.
