# EVERY DONATION COUNTS

## Our GOAL is 85% Participation of Students

In order to enrich our children's education, we know that \$50 per student is needed. A \$50 donation, divided over each week of the school year, amounts to little more than \$1 per week (that's ONLY \$0.20 cents a day). We appreciate that every family's financial situation is unique. We ask you to consider contributing what your budget will allow; all amounts are welcome and most appreciated.

For several years, your generous support has enabled St. Teresa to become a leader in educational technology with the purchase of new computers/laptops, iPads, learning tools and other digital devices. We have also supported liturgical celebrations, graduations, sports programs and invested in a NEW school garden that have enabled teachers to enhance our children's science education. As always, all our funds generated are directed to benefit school initiatives across all grade levels.

Our school has improved each year since its inception because of the tremendous and dependable support of the teachers, principals, support staff and parents who, over the years, have contributed to making the educational experience both fun and rewarding. We are extremely excited about the future possibilities as we live in a wonderful and supportive community and our children have the benefit of attending one of the best elementary schools in the province.

With a \$50 donation per student, we will meet our fundraising goal of \$15,000

Tax receipts will be issued for donations of \$25 or more

Your donation can be made on School Cash Online until November 1<sup>st</sup> 2019

- ✓ *Sign in to your CASH ONLINE account, click on the "Items" tab*
- ✓ *Choose "Make a Donation" on the top right corner*
- ✓ *In the "Gift Information" section, select your amount & choose "St. Teresa of Calcutta" as your "Fund Destination"*

**THANK YOU** for supporting our teachers, school and your child's education.
