

# 2019 /20 Parent Volunteer Form

When parents are engaged, students improve, classrooms improve, schools improve and the entire community benefits.  
*Council of Ontario Directors of Education*

We all know that it takes a village to make our school successful, spirited and full of life! We can all support our children’s educational experience with a small effort to get involved and support the exceptional work that our dedicated principal, teachers and staff already do for our children. There are many things that your parent council would like to continue to offer at the school such as: **the HOOPLA, Dave & Busters Family Nights, Confirmation Luncheon, Graduation celebration, Pancake Tuesday, Popcorn Days, Communion Banners & Reception, Family Skate, Teacher Appreciation Luncheon, Landscaping and classroom garden beds...just to name a few.** And if your child is part of a school team or the play, we PROUDLY support both with funds for team uniforms and production supplies.

We understand life /work commitments don’t provide parents with the freedom to volunteer all the time and so the level of involvement and participation is completely up to you. **One hour or a few hours at an event after the workday** is all that we need. We and your children appreciate whatever time, day or night, that you can give to help us achieve all the great things we want to do for the school community.

Thank You  
*St. Teresa of Calcutta School Council*
