

PARKING SMART at St. Timothy School

With the increased number of people using our school parking lot, we would like to review parking etiquette at St. Timothy School. For the safety of our children, please read the instructions below and practice them when you are driving your vehicle. Take a deep breath and give yourself extra time. **We want all students travelling safe and sound.**

**DEER RUN AVE --- The school side of the street is a NO PARKING/NO STOPPING zone.
Do NOT pick up/drop off your children here.**

FRONT DRIVEWAY

The front driveway is **NOT** a drop-off zone in the morning or a pick-up area at dismissal. The driveway must be clear at all times throughout the school day for buses and emergency vehicles. In recent weeks, the Town of Burlington Parking Authority has tickets cars found parked/stopped there. Please find an available parking spot

PARKING LOT – ALL STUDENTS

Morning Drop-Off

- If you are using the Kiss & Ride for drop off, please ensure that your child is independent and can walk to their designated yard without teacher assistance. FDK Parents are reminded that it is most safe to park your vehicle and walk your child to the Kinder Yard.
- If you are dropping your child off in the Kiss & Ride loop, follow the counter-clockwise traffic flow. Please remain in your car and have your child exit from the passenger side. This keeps the traffic flowing and your child safe.
- Never pull up beside a car in the Kiss & Ride loop or pass a car on the left while in the area. Please remain in single file.
- If you do not want to use the Kiss & Ride loop, then simply park your car in one of the designated spots and walk your child across the lot to the playground.
- **Do not block cars that have parked.**

Afternoon Pick-Up

- If you arrive before the dismissal bell, please reverse into parking spots so that you have greater visibility when you leave the lot. Students are crossing the lot constantly from 3:20 to 3:35 and are not cognizant of moving vehicles.
- Cars may not park in the Kiss & Ride loop, as this is a NO PARKING/NO STOPPING zone.
- When the lot is full, please find a parking spot on the nearby streets, or on the south side of Deer Run Ave.

IF POSSIBLE, PLEASE CONSIDER WALKING TO AND FROM SCHOOL OR TAKING THE SCHOOL BUSES. OUR LOTS WERE NOT DESIGNED TO ACCOMMODATE THIS MUCH VEHICLE TRAFFIC. YOUR COOPERATION IS MUCH APPRECIATED.

Sincerely,
School Administration & Catholic School Council
